VIEWPOINT LOGISTICS™

FULLFILLMENT

Omni-Channel Retailing is changing the scope of today's 3PL Service Provider. Fulfillment strategies are being created or adapted to handle eCommerce online orders for customers from small to large. 3PLs that wish to participate in the burgeoning eCommerce market are faced with adapting or being left out. The question is no longer 'to fulfill or not to fulfill!'

ViewPoint Logistics™ will allow eCommerce clients to tap into the superior supply chain services offered by today's 3PL Service Provider, from order fulfillment through last-mile delivery, achieving efficient and cost-effective strategies to service their customer.
